NEW JERSEY DEPARTMENT OF TRANSPORTATION

MEMORANDUM

TO: Manager, Bureau of Materials

FROM: Construction Region _____

SUBJECT: Processing FHWA Materials Certification

DATE: _____

PROJECT DESCRIPTION: _____ DP# _____

FEDERAL PROJECT NO.# _____

In order that you may furnish the FHWA certification for materials and construction work on the above referenced project, the following CERTIFICATE is provided.

CERTIFICATE

This is to Certify that the materials and methods of construction for Bridge & Road items on this project substantially met pertinent requirements of specifications; the materials at the time of use were regularly sampled, tested and/or inspected; and copies of manufacturers' certified analyses and commercial laboratory reports were forwarded to the Bureau of Materials.

Exceptions to the above are listed on the back hereof, or on an attached sheet, such as:

1. Materials receiving less than the usual requirements for testing and inspection were accepted under the conditions stated.
2. Materials corrected, altered, or replaced.
3. Other exceptions or corrective actions.
